

Auditorium

The Auditorium is a large carpeted room which can be used for many types of meetings and receptions. The room has an LCD projector, large screen and a DVD player for presentations, either resident on your laptop or over our wireless internet connection. There is a low stage and we are able to provide a podium and a microphone. The windows overlook the prairie and the lake.

Capacities:

120, round tables and chairs

125, standing reception

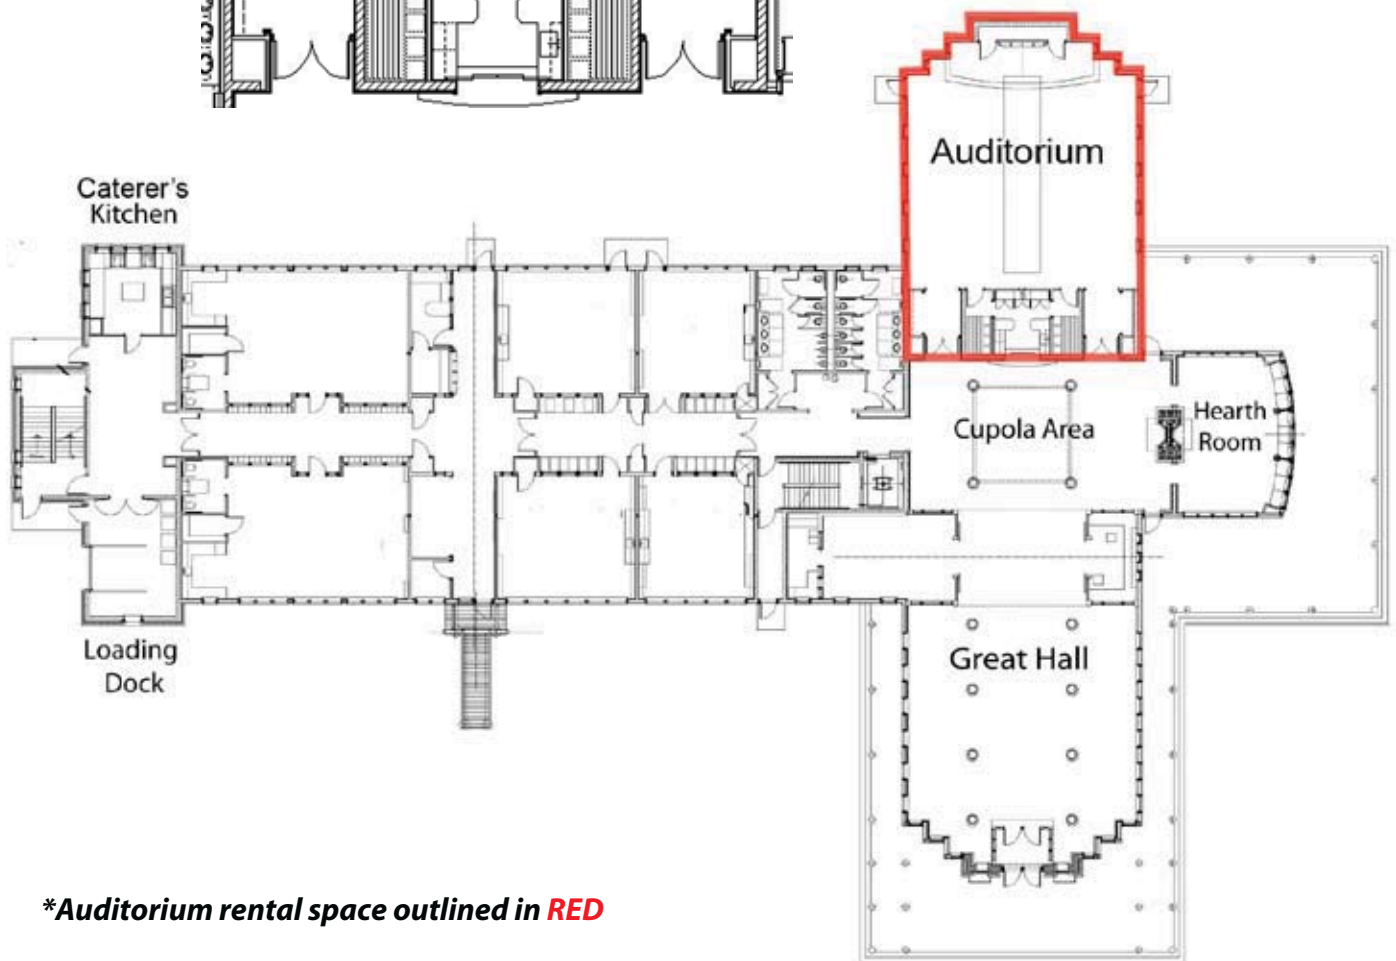

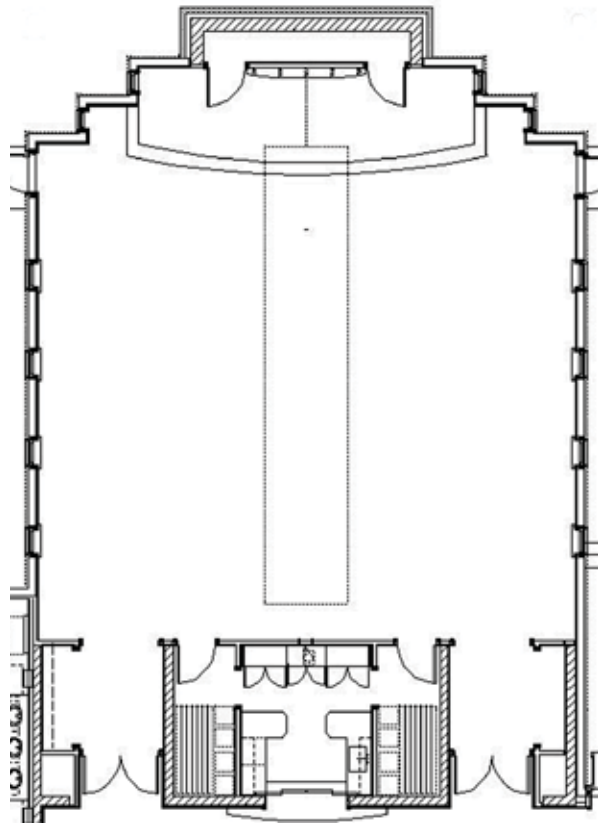

200, theater style, chairs only

See reverse side for floor plans.
