A Natural for Green Corporate Events & Meeting Rentals

Escape the City, Arrive at Inspiration

Successful companies and nonprofit organizations from all walks of life are embracing environmental stewardship, sustainability and social responsibility as core values that promote good business. Sustainability has been integrated into every aspect of our new Green building and our nature education programs.

Environmental education and land stewardship have been at the heart of our mission for more than 35 years. With the opening of our LEED (Leadership in Energy and Environmental Design) Award Green Building in 2003, we now offer green alternatives for corporate meetings and special events. Companies that want to walk the environmental talk and host meetings and other corporate events in a beautiful, natural setting choose Schlitz Audubon Nature Center.

A pristine 185-acre nature preserve along Lake Michigan

Warm ambience and “northwoods” feel, 15 minutes from downtown Milwaukee

Experienced naturalists available for educational nature hikes and special programs

Live eagles, owls, falcons, reptiles & amphibians

A serene environment that fosters creativity and opens minds to new possibilities — a world apart from life’s hectic pace

Hearth Room
